INTERIM AGREED ORDER

Come now the Kentucky Board of Medical Licensure (hereafter "the Board"), acting by and through its Inquiry Panel B, and Stephanie M. Russell, M.D. (hereafter "the licensee"), and, based upon their mutual desire to ensure that the public is fully protected while the licensee resolves the criminal charges pending against her, hereby ENTER INTO the following INTERIM AGREED ORDER:

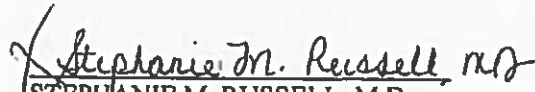

1. The licensee shall not engage in any act which would constitute the "practice of medicine," as that term is defined in KRS 311.550(10) – "the diagnosis, treatment, or correction of any and all human conditions, ailments, diseases, injuries, or infirmities by any and all means, methods, devices, or instrumentalities" – from the date of filing of this Interim Agreed Order until approved to do so by the Inquiry Panel.
2. The licensee SHALL NOT violate any provision of KRS 311.595 and/or 311.597.
3. Within ten (10) days of receipt of any court order finally resolving the criminal charges against her, including but not limited to an Order of Dismissal, Judgment of Conviction or Judgment of Acquittal, the licensee or her attorney shall provide a copy of the court order to the Board.
4. Once the Board's staff has received a court order finally resolving the criminal charges pending against the licensee, the Board will place this case on the agenda for

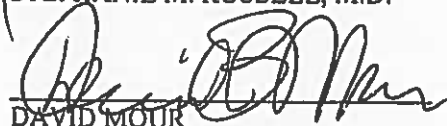

the next regularly scheduled meeting of Inquiry Panel B. At that time, Inquiry Panel B shall exercise its statutory options under KRS 311.591 and if applicable, 311.592.

5. If there is information satisfactory to the Panel or its Chair that the licensee has failed to comply with any condition of this Interim Agreed Order, the Panel or its Chair may immediately terminate this Interim Agreed Order and issue a Complaint and if appropriate, an Emergency Order.
6. While this Interim Agreed Order does not constitute final action on this matter, federal regulations require that it be reported to the National Practitioner's Data Bank. Furthermore, it is subject to release upon request pursuant to the Open Records Act.
7. The licensee understands and agrees that any violation of the terms and conditions of this Interim Agreed Order would constitute a separate violation and may result in disciplinary action against her Kentucky medical license, including revocation, pursuant to KRS 311.595(13).

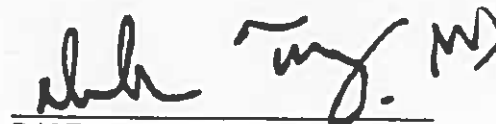

SO AGREED on this 3rd day of JUNE, 2022.
